

WasteMaid®

FOOD WASTE DISPOSERS

158

1/2 HP STANDARD

Easy and Fast to Install

WasteMaid Bio Shield disposers feature Speed Master Mounting, an exclusive system that provides fast and economical installation.

Corrosion Proof

WasteMaid Bio Shield Standard model carries a lifetime warranty against failure due to corrosion.

Permanent Magnet Motors

WasteMaid Bio Shield motors offer maximum torque instantly with the power to cut through potential jams.

Removable Splash Guard

All WasteMaid Bio Shield models have a removable splash guard, ideal for easy cleaning and replacement.

BIO SHIELD
(Antimicrobial)
for **ODOR PROTECTION!**
Disposers are treated with an antimicrobial agent molded inside providing protection against odor causing bacteria growth.

The **TORQUE MASTER** Grinding System is a combination of computer designed and balanced components working in unison to provide superior torque grind speed and long system life.
