

Jacuzzi®

Smart Toilet

Experience cleanliness,
comfort and convenience

Advantages

- Installs just like a traditional toilet
- It delivers 1000 MaP flushing performance
- No unsightly tank, integrated design

Washing

- Rear, front, movement wash
- Water temperature and pressure adjustment
- Nozzle position adjustment

Comfort

- Heated seat (6 settings)
- Warm air drying (6 settings)
- Instant warm water
- Ultrawide square seat offers wider surface

Safety Feature Highlights

- Heated seat has 3 temperature control safety protections
- Capacitive seating sensor detects when someone is seated and activates self-cleaning nozzle. Also prevents accidental spray when unoccupied.

Peace of Mind

- Anti-bacterial self-cleaning nozzle
- Quick-release detachable nozzle
- Arc-shape spray wand offers a more precise and hygienic cleaning angle
- Anti-bacterial seat

Convenience

- Auto-flushing
- Remote control flushing
- Soft close seat and cover
- Touchless Seat and Lid Opening

Advanced Features

- ECO mode
- Night light
- Lightless catalyst deodorization
- Foam Shield for Odor and Splash Protection
- Seat Opening Foot Sensor

Operation

- Illuminated one-touch side knob
- Waterproof remote control (IPX4 rating)
- LED display on unit
