

T-960

3/4 HORSEPOWER

Corrosion Proof

Lifetime warranty against failure due to corrosion.

Permanent Magnet Motor

Maximum torque instantly with the power to cut through potential jams.

Removable Splash Guard

Removable splash guard, ideal for easy cleaning and replacement.

Attached Power Cord

Ready to plug in.

For fast replacement of existing 3-Bolt installations.

BIO SHIELD® Antimicrobial for **ODOR PROTECTION!**

Disposers are treated with an antimicrobial agent molded inside providing protection against odor causing bacteria growth.

TORQUE MASTER®

Balanced Grinding System: A combination of computer designed and balanced components working in unison to provide superior torque grind speed and long system life.

Silver Guard®

Powerful magnetic ring that captures most metal objects before they enter into the disposer chamber. This protective feature helps prevent damage to valuable cutlery. It also helps prevent damage to the disposer as well as expensive repairs caused by metal objects falling into the disposer.
